BUNTING VISUAL RESOURCES LIBRARY
SLIDE TO DIGITAL REQUESTS

Faculty members selecting slides to be scanned for possible addition to the visual resources digital collection should complete this form and assemble a try of slides to be digitized.   Please submit the form and slide tray to the circulation desk. BVRL requires at least one week to digitize and process each group of 50 slides submitted.

The director reserves the right to deny requests for digital images due to budget constraints, poor quality of source material, collection imbalance, or copyright restrictions.
